WORK EXPERIENCE

- Kansas City, MO
Jan 2018–Present
GSTIC Group
Freelance Web Designer/Developer
In the process of designing and developing a business website for an up and coming supply company based in Dubai. Designed wire-frames in Photoshop to brainstorm ideas. Hand-coding the website from scratch using Sublime Text.
- Washington, D.C.
Sep–Dec 2017
+gmmb
Design Intern
Worked with the creative team to push campaigns forward and position brands towards a stronger purpose. Created and designed content for non-profits, politicians and government agencies. Contributed to creative brainstorm sessions, workshops and creative briefings. Designed infographics, PowerPoint, social media ads, video storyboards, websites, and marketing collateral.
- Boulder, CO
Jan–Aug 2017
WP Superheroes
Marketing/Brand Hero
Lead strategic development in Growth Hacking campaigns for WordPress Superheroes. Used my knowledge of design and conversational flow to produce media for social media and email accounts. Was one of three members on the team and helped create a strong Superhero brand.
- Jan–Dec 2016
History of the Visual Arts Boulder
Freelance Graphic Designer
Created and designed the official logo for the HOVAB art festival. Designed posters, brochures, shirts, postcards, yard signs, and advertisements.
- Jan–Jun 2016
pizzacoloro.com
Freelance Web Developer
Worked one-on-one with the owner of Pizza Colóre. Started with wire-frames to brainstorm ideas. Took photos of the restaurant inside-out. Hand-coded the website using Sublime Text.

INTERNATIONAL WORK

- Montevideo, UY
Summer 2014
Posada Portones de Carrasco
Hostel Worker/Assistant
Travelled to Uruguay and worked in a hostel for the summer. Had the opportunity to communicate through Spanish. Improved my Spanish communication skills to the point where I was booking rooms regularly.
